Dear Members and Friends

August 2019

Welcome to my August newsletter, I hope that this newsletter finds you well despite this seriously hot weather, and for those who have had their annual holiday I hope it was successful.

It is with great sadness that I have to report the passing of our dear friend Evelyn Wilson the sister of June Sheen who fell asleep in the early hours of Wednesday morning in Queens Hospital after being there for only a few days, all her family were with her at the end farewell dear lady.

The July meeting went well thanks to Alan Banner his quiz presentation went down well and our dear friend John Lewis was presented with a bottle of wine by the chairman as he had the highest number of correct answers well done John.

We were informed by Karen that it was June Sheen's birthday which we celebrated at the July meeting, and Karen presented June with a birthday present on behalf of the group, but unfortunately her birthday celebrations have been short lived after losing her dear sister so near to her birthday, our thoughts be with you and your family. It is at this point in my newsletter that I would like to wish all our group members who find themselves not in the best of health please get well soon as we miss you at our meetings, I must add this includes our dear friend Karen Hughes.

I am sorry if this newsletter is full of sadness and I regret the need for it to be so but, I hate losing my good friends whom I know for many years.

I was pleased to see my old friend Eric Simmons at the July meeting and he is still thinking about what I asked him that becoming a member of our committee, Eric please give this some more serious thoughts.

As always I would like to thank Angela and Janet for making the tea and Durham for helping with the raffle well done to you all for your help. Before I close this letter I have found out the time and place for Evelyn funeral which will take place at the City of London Cemetery on Friday 2nd August at 12pm in the Traditional Chapel, and as a long standing committee member of the K of H perhaps we can make the effort of saying goodbye to her. I look forward to our August 14th meeting please keep well, best wishes, and please be careful out there.

Regards

Henry Phillips Chairman.
