Dear Members and Friends

February 2020

Welcome to my February 2020 newsletter, I hope you are keeping well considering the cold and damp weather we are currently experiencing. Four of the group attended The City of London North Chapel to say farewell to Joyce Cooper on Monday 13<sup>th</sup> January, as Joyce had no immediate family her friends and neighbours attended the ceremony, her good friend and neighbour Kevin Feerick who with the help of the undertaker made all the arrangements on behalf of Joyce, and his eulogy was very endearing as this dear ladies life had been enjoyed by all those who knew her. Kevin on behalf of the King of Hearts we thank you for all your kindness to Joyce on this sad occasion, well done sir.

As Joyce requested a donation be made in place of flowers the group donated the sum of £50.00 plus another £10.00 donated by our new member Robert Lindsey to the Charity Help for Heroes, I as an old soldier would like to thank all the group members for this kind donation which I am sure will help servicemen and women whatever their needs are.

I would like to remind you all that at the March meeting we shall be involved in the group AGM and I would like to ask the committee members if they wish to be re-elected for another year, also I would like to ask if any members would like to join the committee if so could you take the time to give me a call, my phone number is to be found on the newsletter thank you.

I would like to thank Karen for her excellent talk about our heart problems, she stood in for our official speaker at short notice so the January meeting went well her talk was received with thanks from us all, well done Karen. I would also like to thank Janet, Peter, Angela, and Alan all of which look after the needs of the group members at each meeting, I would also like to thank you all, please carry on with the your good work.

I look forward to our February 12<sup>th</sup> meeting and I can't wait to hear our special guest deliver a talk on bee keeping, he has promised to bring some of his honey to the meeting. Please keep well, best wishes, and please be careful, and keep safe.

Regards

Henry Phillips Chairman

## **Joke of the Month**

An Old Italian chap lived alone in New Jersey. He wanted to plant his annual tomato garden, but it was very difficult to work, as the ground was hard. His only son, Vincent, who used to help him, was in prison. The old man wrote a letter to his son and described his predicament.

**Dear Vincent,** I am feeling pretty sad, because it looks like I won't be able to plant my tomato garden this year. I'm just getting too old to be digging up the garden plot. I know if you were here my troubles would be over. I know you would be happy to dig the plot for me, like in the old days. Love Papa.

A few days later he received a letter from his son.

**Dear Pop,** Don't dig that garden. That's where the bodies are buried.

Love Vinnie.

At 4am the next morning, FBI agents and local police arrived and dug up the entire area without finding any bodies. They apologise to the old man and left.

That same day the old man received another letter from his son

**Dear Pop,** Go ahead and plant tomatoes now. That's the best I could do under the circumstances.

Love you Vinnie.

## Memories

Oh how I wish for the days gone by  
When men would whistle as they toiled on high.  
When it was safe to go for a walk at night  
When it with doors left open, and people were polite.

When a man's word and a shake of the hand  
Was all that was needed to make a stand?  
When children had manners and never were rude.  
When it was never the practice to say anything crude.  
We worked hard for most hours of the day.  
We helped one another and expected n pay.

There were no drugs to be had or no foul language so bad.  
There was humour and pride of which to be glad.  
Those days are long gone, and so with a sigh  
Us `oldies` must yield and kiss them goodbye.
