Dear Members and Friends June 2021

Welcome to my June 2021 newsletter, as we a approaching the longest day 21st June as always I hope that this newsletter finds you well and that most of you now have had your second Covid 19 injection.
It is the intention of the committee to hold the 2021 AGM at the 2022 AGM which will be two meetings for the price of one; if any member of the group disagrees with the committee please can you let me know.
I was informed recently that our dear friend and one of the founder member of the King of Hearts
Karen Hughes who's younger sister is suffering from a multiple cases of cancer and is currently undergoing palliative care, Karen I on behalf of the committee and members of the group wish you and your family our sincere love and best wishes and I for one would like to bear some of your pain. Again as last month I am having a struggle to report any news regarding the K of H group I wish that I could report more positive news concerning our future maybe next month will be more positive.
I hope someone in the group may have been listed in the Queen's birthday honours list, as I am aware that many of the group work hard in the community for the benefit of others, I would be pleased to add your name to my July newsletter.
I will get this letter off to Durham and Peter so that they can produce a copy to you all. As always I would like to wish you my very best wishes, keep safe and well during this hot weather, and may I remind you all, that the King of Hearts is still a group, and is concerned with your well being, but without portfolio let us hope that one day things will get back to normal. Remember to stay within the government guide lines, also please be stay well and safe.

Regards
Henry Phillips Chairman
