Dear Members and Friends April 2022

Welcome to my April 2022 newsletter, I hope this newsletter finds you all safe and well and I for one am pleased that spring is here and the sun has been shining down on us long may it continue.

I am pleased to say that our AGM meeting was a success and I am also pleased to say that the current committee were re-elected and thanked by those present for all the work carried out by them during the past eighteen months, the chairman asked the secretary to add this vote of thanks to the recorded minutes.

In order to keep an accurate and updated list of names and phone numbers etc. we would be grateful if you could let the secretary Durham Holbourns know of any changes with your current particulars, also are you still interested in being involved with the King of Hearts as we appear to have lost a number of our regular members. As chairman I would also like to hear from you, many thanks. I would like to remind members that at the April meeting a member of Age UK will be give a talk relating to Power of Attorney hopefully this will be a useful talk.

I am hoping to see our treasurer Peter Knight and his dear wife Janet at the April meeting after his long period of illness l hope he is up for it.

I would like to thank June, Karen, and Durham who managed the raffle, Eric who attended to group members on entry, and as Angela Banner was unable to attend the meeting her husband Alan prepared and served the refreshments well done Alan.

Our constitution requires that we alternate our meetings with medical and social subjects which we aim to do in the future, and Durham will list the subject for our future meetings.

I look forward seeing you all at our April 13th meeting but in the meantime as always I wish you all well.

Best wishes and stay safe

Henry Phillips Chairman
